BEACHES

Beautiful beaches stretch for miles on either side of Cayucos. Atascadero State Beach and Morro Bay lie to the South, while Moonstone Beach and San Simeon State Beach are to the North.

MONTAÑA DE ORO STATE PARK

This park features rugged cliffs, secluded sandy beaches, streams, canyons and hills, including 1,347-foot Valencia Peak. Naturalists and hikers enjoy the solitude and freedom found along the park's trails. There are also mountain biking and equestrian trails. The park's name, "Mountain of Gold," comes from the golden wildflowers that bloom in spring.

HEARST CASTLE

Located about 20 miles north of Cayucos on Hwy. 1, this world-famous monument can be viewed on sightseeing tours.

CAMBRIA

A quaint village nestled amongst shady pines, Cambria offers hours of browsing in shops and art galleries.

HARMONY

The tiniest town in San Luis County, Harmony used to be a dairy community. Now it houses a delightful artist's colony in the original farming atmosphere.

MORRO BAY

Morro Rock, an ancient volcanic plug provides a unique backdrop for the scenic Morro Bay. Take a stroll along the Embarcadero with its shops and fine restaurants. Go deep-sea fishing or kayaking in Morro Bay's Estuary, home to hundreds of bird species. Bird-watching and sand dune exploring offer hours of recreation.

LOCAL WINERIES

Just minutes away from the Inn, award-winning wineries are found nestled among the sun-kissed rolling hills. Wine tasting, picnicking, fine dining and acclaimed festivals offer several ways to tantalize your palette whether you are a wine lover or not.
